

# DIGITAL HEALTH HUB ERLANGEN

The Digital Health Hub Erlangen builds upon the structures already in place and, by consistently carrying out digitisation measures, breaks apart established processes in the healthcare industry. The aim is the continued improvement of healthcare quality through the stimulation of growth in the healthcare market.

## Top Programmes & Opportunities:

### 1. Medical Valley Award

The Medical Valley Award is a pre-founding project of the Bavarian State Ministry of Economic Affairs, Regional Development and Energy. It is aimed at academic research projects with spin-off potential in an early project phase.

Target group: *Start-ups*

### 2. Start-up consulting

We have been advising founders in the healthcare and medical technology sector since 2003. With our know-how and partner network we help you to get important assessments for the definition of your business plan.

Target group: *Start-ups*

### 3. Funding acquisition

Medical Valley scouts for the right funding programmes at state, federal and EU level for start-ups. Since 2010, we have acquired more than €150 million in funding for our partners.
