

FINTECH HUB FRANKFURT

Frankfurt am Main is an international financial centre boasting a high concentration of outstanding universities. The FinTech Digital Hub Frankfurt builds upon these locally founded strengths. It unites players from the financial sector and the entrepreneurial scene, who

work together on new security products and infrastructures for the financial market. Innovative entrepreneurial ideas are developed into market-ready products in the environment of scientific institutions and in partnership with businesses.

Top Programmes & Opportunities:

1. Matching & Visibility

One of the core benefits of the membership, particularly relevant for B2B start-ups, is our partner network. Based on their technology needs and challenges, start-ups are regularly matched, introduced and connected through the TechQuartier (TechQuartier) scouting team.

Target group: Start-ups, Corporates, SME, Talents

2. Co-working Space & Event Space

Spanning two floors, the open space also hosts public and private workshops, off-sites, hackathons, challenges, meetups, product launches and networking events. There are three event spaces – Waldstation, Hammermann and Boots Bar.

Target group: Start-ups, Corporates, SME, Talents

3. Streaming

TechQuartier is able to livestream events from the comfort of your own home or provide space and equipment in the TechQuartier headquarters for streaming from their offices. Share your knowledge, engage with your audience and provide quality content in a virtual event with TechQuartier.

Target group: Start-ups, Corporates, SME, Talents
