

LOGISTICS HUB HAMBURG

The Digital Hub Logistics Hamburg is the best point of contact for digital business transformation in the logistics industry for both the region and across Germany. The Hub unites market leaders, SME and start-ups, science, research and further education in northern Europe's leading logistics location. The Digital Hub Logistics Hamburg supports digital products and connects business, new thinking

and young talent with clear facts and open communication. The Hub strengthens Hamburg's leading position among the global competition of digital logistics centres and leading economic capitals.

Top Programmes & Opportunities:

1. Innovation Dock

The Hamburg Innovation Dock is the toolbox of the Digital Hub Logistics Hamburg to promote and adequately accompany the co-creation between start-ups, established companies, science and politics. Formats offered within the Hamburg Innovation Dock include the Match Machine Game, the Fast Mover Support, the HIDockday and the Mindset Miners.

Target group: Start-ups, Corporates, Science & Politics

2. Fast Mover

The Fast Mover Programme gives start-ups and innovators the opportunity to pitch on the topic of 'Green Logistics'. In the focus areas 'Green(er) Fuel', 'Green Transport' and 'Waste Reduction', participants can present their innovations, solutions and business models and win over investors.

Target group: Start-ups

3. HIDockDay

The HIDockDay is an event that gives the relevant players in the logistics industry a chance to get to know the Digital Hub Logistics Hamburg and all the start-ups from its community. The event is a mixture of an open-house, a fair and workshop formats with Speicher-Tours and a surprise star guest.

Target group: Start-ups, Corporates, Experts
